Gary A. Rini

Gary A. Rini is an internationally recognized Forensic Science Consultant who provides a critical case review and evaluation of homicide cases which includes: criminal events analysis and physical evidence correlation; shooting incident reconstruction: crime scene evidence evaluation; bloodstain pattern analysis; sexual assault evidence evaluation; crime scene reconstruction; crime scene investigation performance audits and expert witness testimony for both prosecution and defense attorneys in criminal cases and plaintiff and defense attorneys in civil cases, as well as providing those services to JAG Officers in UCMJ criminal cases.

Mr. Rini began his professional career in 1975, serving in small, mid-size and large police agencies. During the course of his career, Mr. Rini served as Patrol Officer, Police Agent, Crime Scene Investigator, Crime Laboratory Detective, Patrol Sergeant, Forensic Services Manager and Commander of Criminal Investigations. He received his graduate education in the forensic sciences from The George Washington University in Washington, D.C., and received advanced specialized forensic science training from the Federal Bureau of Investigation, United States Secret Service, Smithsonian Institution, the Armed Forces Institute of Pathology, Saint Louis University Medical School, University of New Mexico Medical School, Case-Western Reserve University's Law-Medicine Center, Northwestern University's Public Safety Institute, the Henry C. Lee Institute of Forensic Science at the University of New Haven and other nationally recognized professional training and educational organizations.

He has designed and taught college forensic science courses, as well as forensic science training courses for judges, attorneys, law enforcement officers, nursing and allied health specialists, first responders and other forensic science professionals. He is a member of a number of forensic science professional organizations, where he has held leadership positions as Board Member, Vice-President, President, Chairman-of-the-Board, Training Conference Chairman and Regional Representative for a number of those organizations.

Mr. Rini served on the National Institute of Justice's Technical Working Group that established the national Guidelines for Crime Scene Investigators, and has been bestowed the designation of Visiting Professor of Law by the Francisco Marroquin University School of Law, Guatemala City, Guatemala. He is a Vietnam-Era veteran of the United States Air Force and Ohio Air National Guard, where he served as an emergency room (trauma) medical corpsman.
